Flip over for fun facts about Camp Invention!

Like to make things from parts and pieces of other things? Your ideas will turn the ordinary into the extraordinary because at Camp Invention your imagination rules!

Hey Mom and Dad,

Every year, Camp Invention reinvents summer fun for an experience that your child will never forget!

Camp Invention's program is new each summer, inspired by the Inductees of the National Inventors Hall of Fame, for a hands-on experience you won't find anywhere else.

Brought to your community by local, certified educators, Camp Invention provides a 1:8 staff-to-child ratio.

We hope to see your child engaged and having fun at Camp Invention this summer!

Camp Invention Director: 2 years  
VP, K-12 Programs: 6 years

**Have fun using your creative problem solving skills:**

- Be challenged by real-life innovators who have changed the world – wait until you see what the inventor of the digital camera wants you to invent
- Build and compete in your team's freestyle racing cart
- Prototype your very own epic video game level where you create the characters and decide how the hero saves the day
- Push your limits while taking apart old machines and inventing new ones
- Move and think quickly during fast-paced, high-energy games
- Create and innovate with your friends

There are no wrong answers - all answers lead to new possibilities!
